THE PASSPORT EXPERIENCE™ · THAILAND 2027

OPTIONAL EXPERIENCE

Thai Cooking Experience

\$119

per person · ages 8+ · Friday June 25, 2027 · 9:30 AM – 2:00 PM (approx. 4 hours)

Cook the food you have been eating all week.

It begins where every Thai kitchen begins — the local market. You will walk the stalls with your guide, learning what the chefs actually look for: which herbs matter, how to pick a good chilli, why the same dish tastes different two streets apart.

Then into a cool, air-conditioned kitchen with a station of your own. Working beside chefs who have cooked this way their whole lives, you will build a curated menu of Thai classics from scratch, learning the balance of sweet, sour, salt and heat that makes it all work. Then everyone sits down together and eats what they made.

Good to know: open to guests aged 8 and over, accompanied by an adult where applicable. Built for complete beginners as much as for confident cooks. You can book both this and YONA Beach Club on June 25 — the two are scheduled around each other. Standard trip cancellation policy applies.

THE PASSPORT EXPERIENCE™ · THAILAND 2027

INCLUDES

- Guided local market tour
- Your own cooking station
- Curated menu of Thai classics
- The meal you cooked, shared with the group
- E-recipe book to take home
- Hotel pickup and drop-off

OPTIONAL EXPERIENCE

YONA Beach Club

\$219

per person · ages 20+ · Friday June 25, 2027 · 3:00 PM – 8:00 PM (approx. 5 hours)

A beach club that floats on the Andaman Sea.

YONA sits anchored on open water off the Phuket coast, reached by boat — a multi-level club with a 22-metre infinity pool running along its edge and ocean in every direction. It is one of the most photographed places in Phuket, and it earns it.

You arrive for the afternoon session, when the DJs are on and the club is at its best: a drink in your hand, the pool alongside you, and the light slowly turning gold over the water. It runs into the evening, and on the last full day of the trip it is exactly the right way to finish.

Good to know guests aged 20 and over — please bring identification. Smart-casual to elegant dress code, checked at the gate. Best suited to guests under 70; not recommended during pregnancy. Day-pass seating is open seating; cabanas and daybeds can be arranged directly with YONA, subject to availability.

THE PASSPORT EXPERIENCE™ · THAILAND 2027

INCLUDES

- YONA Beach Club afternoon day-pass admission
- Welcome drink
- 2,000 THB food-and-beverage credit
- Access to YONA's 22-metre infinity pool
- Towel for the day
- Round-trip boat transfers and assistance
- Afternoon into evening, sunset over the Andaman Sea

OPTIONAL EXPERIENCE

Bangkok-to-Phuket Group Flight

\$150

per person · one-way, Bangkok to Phuket (HKT) · approx. 1 hour 30 minutes

Fly to Phuket with your group.

Travel together on the same aircraft with the whole Passport Experience group, with transfers coordinated at both airports as part of your trip. One less thing to arrange, and you arrive in Phuket alongside everyone else.

Additional 10 kg checked baggage — \$40 per person. Add 10 kg to your checked allowance on the group flight, bringing your total to 30 kg checked plus 7 kg hand baggage. Most travellers arrive from the United States with a 23 kg / 50 lb bag, which sits above the standard 20 kg domestic allowance, so adding the weight here is simpler and better value than arranging it at the airport on the day.

Good to know: the carrier and your Bangkok departure airport (Suvarnabhumi or Don Mueang) are confirmed once schedules are released. Seat assignment and upgrades are arranged directly with the airline at check-in. International airfare to and from Thailand is arranged separately.

THE PASSPORT EXPERIENCE™ · THAILAND 2027

INCLUDES

- One-way flight, Bangkok to Phuket (HKT)
- 20 kg checked baggage and 7 kg hand baggage
- Group airport transfers at both ends
- E-ticket issued within 30 days of travel
- The \$150 price is guaranteed — fare movement is absorbed by the travel-services provider
- Your airport transfer is included either way

OPTIONAL EXPERIENCE · EXTEND YOUR STAY

Arrive early. Stay longer.

Thailand is a long way to come for eight days. Add a night at the front or the back of the trip and the travel-services team will confirm your requested dates and room details after booking.

BANGKOK PRE-TRIP HOTEL NIGHT

Arriving in Bangkok before June 19? Add one or more pre-trip hotel nights to your reservation.

\$185

per room, per night

PHUKET POST-TRIP HOTEL NIGHT

Extend your stay in Phuket after June 26. Price is per room, per night.

\$255

per room, per night

The travel-services team will confirm your requested dates and room details after booking.
